

## GREAT BRITISH SPORTS CARS NEWS .....

Great British Sports Cars and Kit Spares wish you all a Happy New Year, and would like to thank you all for your support last year. We look forward to a busy 2012 with many new and exciting challenges ahead.

*Richard Hall and Keith Bird*

### Welcome to Great British Sports Cars January - February Newsletter

We are one of the leading names in the British kit car industry, with a long 25 year history of success the company is pleased with continuing its success and development of its latest car the Zero Range.

#### GBS TRACK DAY:

Over the Christmas break on Friday 30th December the Great British Sports Cars team attended a Track Day that was in conjunction with Javelin Track Days, at Mallory Park.

It was a enjoyable day and was great to see all the GBS Zero's and 2B that attended out on the track together, we had GBS customers come as far as Bristol for the day. We took with us our Zero Race which again performed extremely well especially in the wet conditions. It was also great to see lots of new and existing GBS customers that came along for the day to spectate many even had a ride in the Zero and were very impressed with its handling and performance. It was also great to have one of our Australian dealers Terry Dale join us for the day, who very much enjoyed his ride in the GBS Zero, Terry is in the final stages of completing his Zero Build.

GBS Customer Jon Hodgkinson out on the Track in his GBS Zero at Mallory Park To see more photos from the GBS Track Days please visit the GBS website or the GBS Blog.....

#### AUTOSPORT INTERNATIONAL 2012:

Great British Sports Cars had a very busy and successful weekend at the AutoSport International Show, our stand was displaying the GBS Zero road car and the GBS Zero Race as well as sample range of parts and spares that are available from Kit Spares. The Zero attracted a lot of attention and got some very positive feedback, it was also great to see alot of GBS customers at the show.

#### CUSTOMER BUILD PHOTOS:

We always like to see photos of peoples Zero build, so if you have any photos of your Zero build and would like to share them with others, please send them to us on a CD, and we can feature them on our blog page.

#### GBS TRACK & SPRINT DAYS:

We are soon to announce the dates for this years Track & Sprint days. These will be announced on the GBS Blog and website shortly.

#### BEHIND THE SCENES OF POWDER COATING A ZERO CHASSIS:

GBS went and followed the process of what is involved in Powder Coating a Zero Chassis. We offer Powder Coating as an optional extra, but highly recommend it as it protects the chassis and gives a superior finish to paint. At the GBS factory all Zero Chassis's have the welds flattered and prepped ready for the powder coat process to start. It was amazing to see the whole process from start to finish as you don't quite realise what is involved and the time it takes. Please visit the the GBS website for more information.

#### GBS / KIT SPARES SHOWROOM:

Come and see the GBS Zero and all the parts that we have available from Kit Spares, our Showroom is open Monday to Friday 9am-5.30pm and most Saturdays unless we are at a show or competing or at a Track Day. We currently have a Zero GT on display in the Showroom and the Zero race and many other cars in the workshop to view.
